We, the annual staff,
proudly dedicate the 1975 BEACON to a man who has inspired many — as teacher, as friend, as father. His imagination, energy, and leadership have shaped and improved the BEACON for 3 years. May this dedication return a fraction of the guidance and understanding he has given over the years.

CLUBS AND ACTIVITIES

STUDENT

The Student Senate is the representative body of the students. It is composed of the Executive Council, representatives of all chartered clubs, the three freshman officers, and freshman senators.

These selected students plan activities such as film festivals, "happy" nights, dances, and this year a Christmas drive for the needy. A special project at the beginning of the year was a fish fry using fish caught by the Senate.

ARGUS

The function of C.O.A.'s literary magazine, The Argus, is to plunge one into the depths of man's inner thinking, to wipe away all thoughts of frustration, to sweep clean the agony of self-doubt, and to spray mists of wisdom into the pits of despair . . .

CIRCLE K

Our Motto Is "WE BUILD"

Circle K International is the largest collegiate organization in North America with nearly 700 clubs throughout the United States and Canada. It is a service organization through which college students can find a means of responsible student action in the community and a more active involvement in the life of their campus.

Circle K's beginning goes back to 1947, when the first Circle K Club was formed at Carthage College in Illinois. The objective of Circle K International is to give college students a means by which those students interested in helping others and being of service in society can express this concern. The main areas of interest are correctional institutions, student concerns, environmental concerns, health concerns, and concern for dependent and neglected individuals.

CIRCULO ESPANOL

President — Susan Wilson
Vice-President — Carolyn Covert
Secretary-Treasurer — Linda Lindsey
S.G.A. Representative — Robert Batteiger

The Spanish Club's main objective for the year is to acquire a greater understanding of Spain, its people, and its language. Thus far this year the Spanish Club has held a Spanish Dinner on Columbus Day which they served all Spanish food. The money collected was deposited in the club's savings account toward purchasing a 96 volume set of Spanish Encyclopedias.

COSMETOLOGY

President — Karen Liverman
Treasurer — Kathy Jones
Vice-President — Kay Evans
Secretary — Mary Vaughn

The purpose of the Cosmetology Club is: to promote unity among its members, patrons, and faculty; to motivate interest in the professional field of cosmetology; to train youths and adults in acquiring a background for the profession; and to promote an understanding of the laws and civic responsibilities involved.

Membership of the club consists of all preparatory and advanced students enrolled in the cosmetology program.

LACERCLE FRANCAIS

President — Joyce Leake
Vice-President — Ronnie Herring
Secretary-Treasurer — Kathy Poole

The French Club's main objective for the year is to obtain a greater understanding of France, its people, and its language. Plans are in the making for a trip to see a French play which we are all looking forward to attending. The 1974-1975 year has been the year for Phi Beta Lambda, better known as the Business Club. The membership number has set a record high of 105 members, as the activities have increased greatly. Again first for the club is the winning of our Homecoming representative as queen and winning of 3rd place in the hall decorations for Homecoming.

Other activities have been bake sales, a float for the Elizabeth City and Hertford Parade, as well as a fantastic candle sale. Our future plans for 1975 are a scholarship to a business student, a plaque for the most outstanding business student, making of Easter haskets for children that are in the hospital, and finally a trip for the Business Club.

QUALITY CLEANERS

Our goal, this year for the Beacon, was to reflect upon the students and their activities occurring during 1974 and '75 school year; we hope that we have surveyed this year as everyone remembers it. It was only through everyone's participation that we were able to grasp a few highlights of this past year.

I want to thank everyone on the Beacon Staff: Roger Broome, Laura West, Diane Lee, B.J. Bunnell and finally Karen Spencer who has been our business manager and typist. Also, I want to thank Mr. Smith's business class for selling the ads this year, along with Bryan O'Leary and Steve Clark who have devoted some of their time to the activities of the year book. And finally, two people who deserve plenty of thanks: Bill Haskett who has helped us with many of the photographs and George McKeown who has stimulated our interest and has been one of our best friends this year.
